----------------------	-----------

## NEW DEADLINE:

Contributions will be accepted until the **15<sup>th</sup> November 2014**  
(for abstracts and full contributions)

Contributions will be accepted in two formats:

**Abstracts:** Upon acceptance, these contributions will be presented in POSTER format. Abstracts MUST NOT exceed a maximum length of 500 words.

**Full contribution:** Upon acceptance, these will be presented either in ORAL or POSTER format and will have an extension of between 5 and 10 pages, including text and figures.

Guidelines and templates to preparing and submitting a manuscript are available at the webpage under the section **Presentations – Instructions for authors**.

**Official languages:** Contributions will be accepted in SPANISH, PORTUGUESE or ENGLISH. The inclusion of a short abstract in English is REQUESTED for all contributions.

**Meteorológica** magazine offers a 50% discount on the cost of publication of papers from the CONGREGMET XII. This offer is valid until June 30, 2015.

## Congress Themes

**Forecasting in the atmosphere and the oceans:** Methodological aspects of forecasting in different time-space scales: Climate change projections. Ensemble forecasting. Predictability studies. Pollutant dispersion forecasting, among others.

**Meteorology and Oceanography within the society:** Products and applications for society and the productive sector. Educational issues and outreach in meteorology and oceanography. Communication with the public. Governmental programs at national and local levels.

**Characterization and processes in the atmosphere and the oceans:** Processes in different time-space scales, from the microscale up to planetary processes. Different scales variability.

**Observing systems:** Development and validation of instruments. Quality control. Measurement network design. Communication and data acquisition. Visualization systems.

## Registration fees: (in argentinian pesos)

	until 11/30/2014		until 02/28/2015		until 05/29/2015	
	Member	Non-member	Member	Non-member	Member	Non-member
